1 About this Agreement

This Agreement is a market retail contract and covers the sale of natural gas and/or Green Gas to you at your Supply Address. If we're your retailer for more than one of these products, then you have a separate agreement with us for each. If we're your retailer at more than one Supply Address, then you have a separate agreement with us for each Supply Address. Each agreement we have with you includes these Agreement Terms, the Details section and your Energy Plan (if any).

2 How this Agreement applies to you

This Agreement applies to Small Customers and Other Customers.

If you're a Small Customer, additional regulatory protections apply to you. Whether you're a Small Customer is determined by the Regulatory Requirements. Currently, the Regulatory Requirements provide that you're a Small Customer if you use less than 1TJ of natural gas per year.

If you're not a Small Customer, we may still supply you under this Agreement but the additional regulatory protections we refer to in the previous paragraph do not apply to you. In this Agreement we call you an Other Customer. Where we treat Small Customers and Other Customers differently we've explained this throughout this Agreement.

Your Distributor determines whether you're a Small Customer. It's your responsibility to tell us if the amount of gas you use changes significantly. This is because you may change from being a Small Customer to an Other Customer or vice-versa.

3 When this Agreement starts and ends

This Agreement starts on the Acceptance Date and continues until you or we end it. For information about how this Agreement can end see clauses 4, 5 and 21.

We will start to sell you gas and other products on the Supply Start Date which will either be:

- the end of the cooling off period;
- the date your Supply Address transfers to us (for more details of the transfer process and why it may be after the Acceptance Date see clause 5); or
- another date we agree with you.

If you have another agreement with us for gas at the Supply Address, it and all associated benefits will end on the Supply Start Date.

4 Cooling off period

You can cancel this Agreement during the 10 Business Day cooling off period. The cooling off period starts from the later of the day after:

- the Acceptance Date; or
- you receive this Agreement.

You can cancel during the cooling off period even though you have signed this Agreement or agreed to it over the phone or online. To cancel, call us or complete the cancellation notice provided to you with this Agreement and return it to us at the address set out on the notice.

5 The transfer process

If we're not currently your retailer for your Supply Address, we'll arrange for your Supply Address to transfer to us from your current retailer in accordance with the retail market rules. You agree to us taking all necessary steps to do so.

We may stop the transfer and cancel this Agreement before the transfer is completed:

- where the transfer doesn't occur within three months of the Acceptance Date;
- where you don't meet our credit requirements;
- where any information in the Details section is incorrect; or
- for any other reason as long as it is not unreasonable to do so.

If we do so, we'll let you know and we may offer you an alternative agreement.

Alternatively, we may cancel your Energy Plan (without cancelling this Agreement) if the transfer doesn't occur within six months of the Acceptance Date. We'll let you know if this happens.

6 Security Deposits

Depending on your creditworthiness we may ask you to pay us a Security Deposit and you must pay it to us. If you're a Small Customer, we must pay you interest on the Security Deposit at the Bank Bill Rate and that interest will accrue daily and be capitalised every 90 days unless paid.

We may use your Security Deposit and any interest earned on it, to offset any amount you owe us under this Agreement if:

- you fail to pay a bill by the Due Date resulting in disconnection of your Supply Address;

- you fail to pay a final bill by the Due Date;
- you fail to pay a bill by the Due Date and agree with us that we may use your Security Deposit to avoid possible disconnection;
- you ask us to do so when you are moving out of your Supply Address or requesting disconnection of your Supply Address; or
- you fail to pay a bill by the Due Date and your Supply Address transfers to another retailer.

If we use your Security Deposit or any interest to offset amounts owed to us, we'll let you know and refund you the balance of the Security Deposit (if any) within 10 Business Days.

If we no longer need your Security Deposit, we'll return it and any interest through a credit on your bill, or if you have closed your account, through our standard processes to refund account credits.

We must keep any Security Deposit in a separate trust account and separately identify the Security Deposit in our accounting records.

7 Energy Plans

Your Agreement may include an Energy Plan. An Energy Plan generally includes benefits or features for a limited time such as 12 or 24 months. Your Agreement will continue after the expiry of your Energy Plan, but the benefits or features of the Energy Plan will end when the Energy Plan ends.

We'll do our best to let you know when your Energy Plan is about to end. We may offer to extend your existing Energy Plan or offer to give you a new Energy Plan. If so, if you do not let us know within 20 Business Days that you do not want to take up the extended or new Energy Plan, we'll consider you have agreed to it. The extended or new Energy Plan will then apply and become part of this Agreement.

As your Energy Plan is part of your Agreement, it will also end when this Agreement ends.

If we withdraw your Energy Plan from sale, we may end your Energy Plan by giving you at least 20 Business Days' notice so long as:

- we offer you another energy plan with similar benefits or features which is not detrimental to you; or
- ending the Energy Plan would not be detrimental to you.

8 What you have to pay

You must pay us the Charges. The Charges include:

- Amounts for the sale and supply of gas described below:
 - **Supply charges** – daily charges, regardless of how much gas you use. These charges are published by us on our website. The current charges are set out in your Details section.
 - **Energy usage charges** – charges based on the amount of gas you use. These charges are published by us on our website. The current charges are set out in your Details section.
 - **Green Gas charges** – charges for the sale of Green Gas. These charges are set out in your Details section.
 - **Distributor charges** – any amounts that your Distributor charges us for services provided at your Supply Address and which are not already incorporated into the supply or energy usage charges, including a disconnection fee, connection fee and special meter reading fee. Your Distributor sets these amounts. You can find out more at **originenergy.com.au/additionalcharges**.
 - **Taxes** – any taxes (including GST), duties, imposts, levies, regulated charges, costs, fees and charges that we have to pay (directly or indirectly) when we sell and supply energy, Green Gas and other goods and services to you.
- The fees described below. If these fees apply they'll be set out in your Details section or explained to you before you incur them.
 - **Card payment fee** – a fee for paying by Mastercard, Visa or another payment method where we incur a merchant services fee.
 - **Late payment fee** – an amount to compensate us for our costs and losses if you pay your bill (or part of your bill) after the Due Date.
 - **Account establishment fee** – a fee for transferring your gas supply to us from another retailer or setting up your account with us for the first time.
 - **Payment processing fee** – a fee for paying your bill over the counter in person at a third party retailer or outlet or via PostBillPay.

- **Paper bill fee** – a fee for receiving a bill in the mail.
- **Exit fee** – if you're a Business Customer, a fee for ending your Energy Plan (if any) early.

In some circumstances you must also pay us the other amounts described below.

- Any reasonable costs that we incur for arranging network and connection services for you. We'll let you know these amounts before we arrange the services.
- If you breach this Agreement or the Regulatory Requirements, any reasonable costs we incur as a result of that breach, except where those amounts are included in one of the Charges (such as the late payment fee).
- Any fees or additional costs we incur if your payment is dishonoured or reversed.
- Any other amounts referred to in this Agreement.

If you are a Small Customer, the supply charge and energy usage charges are either residential or non-residential charges. You must pay the residential Charges if you are a Residential Customer and the non-residential Charges if you are not.

If you are a Small Customer, we will give notice of the Charges in the Government Gazette, newspaper, a notice to you or as agreed with the Economic Regulation Authority. You can also ask us to send you a copy of the Charges at no charge to you.

9 Changes to the Charges

Unless we say we won't do so in your Energy Plan, we can vary the amount, nature and structure of any of the Charges at any time by notice to you. For example, we may vary the structure of:

- your gas usage charges from peak only charges to time of use charges; or
- your Green Gas charges from a weekly amount to a charge based on the amount of gas you use. Or, if there is no charge when you take up your Green Gas product, then after 12 months, we may start to charge you.

We can still vary any of the Charges (even if we say we won't do so in your Energy Plan) if:

- any of the information we used in determining the Charges for gas is incorrect (such as your supply area or meter type); or
- the meter at your Supply Address is changed from an accumulation meter to an interval meter.

The notice of variation may be by a message on your bill.

We'll notify you no later than your next bill after the variation.

If you are a Small Customer, we will also give notice of any variation to the Charges by publishing the new charges on our website.

If the Charges change during a Billing Period then we'll calculate your bill for that period on a proportionate basis and we may use average usage data over a Billing Period (or other period depending on availability of meter data) (**Average data**) to do so. Similarly, if your Energy Plan or any feature or benefit only applies for part of a Billing Period then the impact on the Charges will be prorated and we may use Average data to do so. For example, if a benefit includes a discount on usage charges which applies for one month, we will use average usage data over the Billing Period to determine the discount amount.

10 Billing

We'll send your bill to the address you choose. This can be an email address or other electronic address (such as on-line via a secure website). If you don't choose an address or we can't contact you at that address (e.g. your bill is returned to us), we may send the bill to the Supply Address and you'll be deemed to have received it.

Unless you have taken up an Energy Plan which includes a fixed amount for your energy usage and supply charges, your energy usage charges will be based on the amount of gas you use during a Billing Period. That use will be determined in accordance with the Regulatory Requirements, generally by the Distributor measuring the amount of gas used by reading the meter at your Supply Address, or by estimating your usage.

Your bill will show your gas usage in units which are calculated by applying the heating value (which is the amount of energy in the gas) to the amount of gas you used. If applicable, your gas usage may be determined by measuring gas from a master meter and then using other measurement devices to determine your individual usage.

Your Distributor will read your meter as often as needed to bill you based on your usage, and in any event, at least once every 12 months. If we cannot base your bill on a meter reading then we may base your bill on your estimated usage determined by:

- your reading of the meter;
- your prior billing history with us;

- where you do not have a prior billing history with us, the average usage of natural gas at the relevant tariff, the average usage for the type of Gas Installation, or the average usage at your Supply Address.

We may base your bill on your estimated usage if:

- your meter can't be read due to your action or that of a third party, or due to weather conditions, an industrial dispute or other reasons beyond our control;
- you are moving out of your Supply Address and need a final bill immediately;
- access to your meter is denied for safety reasons;
- the meter or ancillary equipment has recorded usage incorrectly; or
- the meter has been tampered with or bypassed.

If your bill is based on an estimate of your usage and we later have a measurement of your actual usage:

- if you're a Small Customer we will adjust a subsequent bill for the difference; and
- if you're an Other Customer we may adjust a subsequent bill for the difference if this is reasonable in the circumstances,

unless:

- the estimated bill was your final bill; or
- we accept your reading of your meter as the meter reading to base your bill on and the later reading reveals an error in your favour.

If we have based your bill on your estimated usage because your meter can't be read because of your failure to provide access, and you then ask us to replace the estimated bill with a bill based on a reading of your meter, then so long as you allow access to your meter and pay any reasonable charge we request, we will do so.

The Billing Period will be at least every three months. We may change the Billing Period by notice to you, for example, we may change your Billing Period to one month.

11 Payment

You must pay each bill in full by the Due Date or make payments in accordance with your payment schedule or instalment plan. You can pay your bill:

- over the counter in person at a third party retailer or outlet specified on your bill; or
- by mail; or
- by any of the other options listed on your bill.

If you want to pay your bill in advance or have your bill redirected, just ask us.

If you can't pay by the Due Date or are experiencing Payment Difficulties or Financial Hardship, let us know as soon as possible. We have a range of payment plans that might help. We may also be able to give you information about and refer you to government support if you're a Residential Customer (see clause 14 for more details).

If you don't pay by the Due Date (unless you've requested a review of the bill) we may do one or more of the following:

- apply any Security Deposit (see clause 6 for more details);
- disconnect your gas supply (see clauses 17-19 for more details);
- ask a debt collection agency to obtain the payment from you;
- sell the rights to the unpaid amount to a third party who may seek to collect it from you.

We may also rely on any other rights we have under this Agreement.

We won't start legal proceedings against you for the unpaid amount if:

- you have entered into an instalment plan for the amount and are complying with that plan; or
- you are a Residential Customer and have informed us that you are experiencing Payment Difficulties or Financial Hardship, unless or until we have assessed whether you are and, if so, offered you assistance (see clause 14 for more details).

If you are a Business Customer or an Other Customer we may charge you interest on a late payment to cover the costs or losses we incur as a result of the late payment, but only if we don't charge a late payment fee or we are not

fully compensated for our costs and losses through the late payment fee.

If you have more than one agreement with us, we may deduct from and set-off against amounts paid or payable under this Agreement (including after this Agreement has ended), any amounts paid or payable under another of your agreements with us.

12 Contents of your bill

Your bill will separately itemise the Charges.

Your bill will also include:

- the dates and values of your previous and current meter readings or estimates;
- your usage, or estimated usage;
- the number of days covered by the bill;
- your Charges;
- your meter or property number;
- the amount due;
- the Due Date;
- a summary of the payment methods and instalment payment options available;
- your Supply Address and any relevant mailing address;
- your name and account number;
- a statement that the late payment fee may apply for payments after the Due Date;
- the average daily usage and cost;
- the amount of arrears or credit;
- details of any Security Deposit you have provided;
- the amount of any other charge and details of the service provided;
- if you're a Residential Customer, a reference to any concessions available to you and any Government concessions that may be available;
- the telephone number for billing and payment enquiries;
- a 24 hour contact telephone number for faults and emergencies;

- that you may ask to have your meter tested so long as, if we ask you to, you first pay the fee for doing so and that the fee will be refunded if the meter is not found to be working accurately;
- the availability of interpreter services; and
- a telephone number to contact if you are experiencing financial difficulties.

If you are a Small Customer and we include any other amounts on your bill for other goods or services provided to you, then unless you agree otherwise we will separately itemise those amounts on your bill and include a description of the goods and services. We will apply payments as directed by you, or if you do not give us any direction:

- to the Charges and fees set out in clause 8 before applying any payment to the amounts for other goods or services; or
- if the goods or services include electricity, equally to the amounts referred to above and to the amounts for electricity before applying any payment to any other goods or services.

13 Reviewing your bill

Please review your bills carefully. If you believe there are any issues with a bill, such as an incorrect discount or meter type, please let us know as soon as you can. Alternatively, if you'd like us to review your bill, just ask – again, be sure to do so as soon as you can. We'll let you know the result in accordance with our standard complaints procedures (see clause 34 for more details). While your bill is being reviewed, you'll still need to pay any amount we ask you to (in accordance with the Regulatory Requirements) by the Due Date. You must also pay any future bills by the Due Date.

You can ask to have your meter tested as part of the review. We may ask you to pay the cost of the meter test before we arrange it. For Small Customers, if the test finds that the meter or meter data is faulty or incorrect we'll refund any amount you've paid for the test (or set this off against any outstanding amount on your bill).

If the review finds the bill is correct, you must pay the unpaid amount. If the review finds the bill is incorrect, we'll correct the bill under review.

Unless one of the exceptions below applies, if you're undercharged (which includes not being charged), you'll only have to pay the amounts that should have been charged in the twelve months before we notify you of the undercharge. The exceptions are:

- for Other Customers, in which case we can recover all amounts undercharged so long as it is not unreasonable to do so; or
- if the undercharging is not because of our error, defect or default or that of your Distributor (including where your meter is found to be defective or your tariff is changed due to incorrect information provided by you), in which case we can recover all amounts undercharged and may also charge you interest to cover costs or losses we incur as a result of the undercharging as long as it is not prohibited by the Regulatory Requirements.

If you ask us to and we have the data, we will give you your Billing Data. If you request Billing Data:

- for a period less than the previous two years and no more than once a year; or
 - in relation to a dispute with us,
- we will not charge you for providing the data. Otherwise we may ask you to pay a reasonable charge.

14 Payment Difficulties and Financial Hardship

This clause only applies to Residential Customers.

If you let us know that you are experiencing Financial Hardship or Payment Difficulties, then within three Business Days we will assess your situation and if we agree we will offer you:

- additional time to pay a bill;
- an instalment plan with no fees or interest;
- the right to have a bill redirected to a third party;
- information about government concessions and assistance and about independent financial counselling services.

However, if you have had two instalment plans cancelled due to non-payment in the last 12 months then we will not offer you another instalment plan unless we are satisfied that you will comply with it.

15 Your obligations

Title and risk in the gas supplied under this Agreement will pass to you at the point of connection between the distribution system and your Supply Address. You must comply with the Regulatory Requirements that apply to you.

You must make sure:

- your name, Supply Address and contact details (including the address you choose for notices and billing) are correctly set out in the Details section;
- any other contact details you give us are correct;
- you tell us promptly if you become aware of any change that materially affects access to your meter or other equipment involved in providing the metering services at your Supply Address; and
- you let us know if any information you've given us changes.

You must give us and other relevant people (including your Distributor and Meter Service Provider) safe, convenient and easy access to the Supply Address and the meter at the Supply Address for purposes relevant to the sale and supply of gas, including:

- to read, install, inspect, test, repair, maintain, alter or replace a meter; or
- to connect, disconnect or reconnect gas supply at the Supply Address.

You must also:

- take reasonable steps to limit any loss or damage you suffer in connection with this Agreement;
- make sure the energy infrastructure at your Supply Address is in good condition and not damaged or interfered with in any way;
- allow only appropriately qualified and accredited people to carry out any work in connection with that gas infrastructure; and
- not tamper with or bypass your meter, or allow anyone else to do so;
- not interfere with, disconnect, displace, remove or replace or damage the meter or the distribution system, or allow anyone else to do so.

You acknowledge that the meter is owned by a third party (generally your Distributor, Meter Service Provider or us) and title will not pass to you at any time.

16 Your distributor and your gas supply

We're a gas retailer and have no control over the physical supply of gas. Where we refer to supplying you with gas or connecting your Supply Address, this means we'll arrange for your Distributor to do so.

Your Distributor is responsible for the physical supply of gas (including the quality and reliability of the gas supplied) and the connection of your Supply Address. This means that:

- we're not responsible for the safety, quality, continuity, reliability or pressure of your gas supply; and
- to the extent permitted by law, we make no promises or representations to you about these things, other than those set out in this Agreement.

The quality, continuity, reliability and pressure of your gas supply are subject to a variety of factors. These include accidents, emergencies, weather conditions, vandalism, system demand, the technical limitation of the distribution system and acts of other persons (such as your Distributor).

Accordingly, your gas supply may be interrupted, disconnected, reduced or limited. Some examples of when this may occur include:

- if required by your Distributor or another person;
- if required by your Meter Service Provider or Distributor in order to install, maintain, repair or replace a meter;
- in an emergency or for safety reasons;
- due to a failure in the equipment used to supply your gas;
- for inspections, maintenance or testing;
- at the direction or request of a regulatory body; or
- if there is not enough gas available to supply to you.

We'll try to keep you informed if this happens, and we will follow any notice requirements set out in the Regulatory Requirements.

You must cooperate with any reasonable requests your Distributor makes of you, and allow your Distributor to enforce its rights under the Regulatory Requirements.

Where your Distributor intends to undertake inspections, repairs, testing or maintenance of the distribution system at your Supply Address they'll give you notice of this, except in an emergency, where they suspect you're using gas illegally or for routine meter replacements. Unless you agree to a shorter period, the notice period will be:

- four days for planned maintenance at your Supply Address or on the distribution system, or such longer period specified by the Regulatory Requirements; and
- for any other work, at least 24 hours or such longer period specified by the Regulatory Requirements.

Your Distributor will use its best endeavours to minimise interruptions to your gas supply due to planned maintenance or augmentation and restore your gas supply as soon as practicable.

17 When you could be disconnected

If you have given us up to date contact details, we'll give you notice before we disconnect you. If you're a Small Customer, we'll also follow any procedures set out in the Regulatory Requirements. A fee may apply for disconnection.

We may arrange for disconnection of your gas supply in the following circumstances, unless we're prohibited from doing so under the Regulatory Requirements or we say we won't in clause 18:

- if you ask us to;
- if you're a Small Customer and you fail to pay Charges or other amounts on your bill related to the supply of gas by the Due Date;
- if you're an Other Customer and you fail to pay any Charges or other amounts on your bill by the Due Date;
- if your meter has not been able to be read for the purposes of issuing three consecutive bills due to a lack of access to the Supply Address. We can only arrange for disconnection in this instance if we have:
 - given you a chance to offer reasonable alternative access arrangements; and
 - on each occasion that your Supply Address could not be accessed, given you five Business Days' written notice of the next scheduled meter reading and requested access to the meter at that time; and
 - used our best endeavours to contact you and given you five Business Days' notice of our intention to arrange for disconnection;
- if you've refused to provide a Security Deposit so long as we give you not less than five Business Days' notice of our intention to do so;
- if you've obtained supply other than in accordance with the Regulatory Requirements;

- if you haven't agreed to an instalment plan or other payment option when we have required you to do so;
- if you haven't paid in accordance with an agreed instalment plan or other payment option;
- in an emergency, but in this case your Distributor will provide, by way of a 24 hour emergency line, information on the nature of the emergency and an estimate of the time when supply will be restored and use best endeavours to reconnect you as soon as possible;
- for health and safety reasons, so long as, except in an emergency or where there is a need to reduce the risk of fire or where required by the Regulatory Requirements:
 - we give you written notice of the reasons;
 - we've given you five Business Days to remove the reason (where you are able to do so); and
 - at the end of the five Business Days we give you another five Business Days' notice of our intention to disconnect you.

18 When you won't be disconnected if you are a Small Customer

If you are a Small Customer we will not arrange for disconnection of your gas supply in the following circumstances:

- for health reasons where you have:
 - given us a written statement from a medical practitioner to the effect that supply is necessary in order to protect the health of a person who lives at your Supply Address; and
 - you have entered into arrangements acceptable to us in relation to payment for gas supplied;
- where the amount outstanding is less than an average bill over the last 12 months and you have agreed with us to repay the amount;
- if you have made a complaint which remains unresolved and the complaint is directly related to the reason for the proposed disconnection;
- where you have made an application for a government concession or grant and the application has not been decided. However this clause does not apply to applications for gas concessions as these are made through your electricity retailer;

- where you have failed to pay an amount on a bill which does not relate to the supply charge, energy usage charge or other charges contemplated by the Regulatory Requirements;
- after 3pm on a weekday; or
- on a Friday, a weekend, a public holiday or the day before a public holiday.

However, we may arrange for disconnection of your gas supply in the above situations if:

- required by the Regulatory Requirements;
- you ask us to;
- in an emergency;
- due to a planned interruption; or
- to prevent unauthorised use of gas.

19 What we'll do before we disconnect if you are a Small Customer

If you are a Small Customer and have not paid your bill (including where you have not agreed to or not adhered to an instalment plan or other payment option), before we disconnect you we will:

- give you a written reminder notice not less than 14 Business Days after the date on which the bill was issued, telling you that your payment is overdue and requiring you to pay by a specified date (at least 20 Business Days after the date on which the bill was issued);
- if you do not pay by that date, give you a written disconnection warning notice not less than 22 Business Days after the date on which the bill was issued, telling you that you will be disconnected unless you pay by a specified date (at least 10 Business Days after the date the disconnection warning was given);
- if you are a Residential Customer:
 - offer you an instalment plan or other payment option (if we have not already done so); and
 - give you information about government concessions;
- if you are a Business Customer, offer you an extension of time to pay;
- use our best endeavours to contact you; and
- not disconnect you until at least one Business Day after the date we say we will do so in the disconnection warning notice.

If we offer you an instalment plan or other payment option as contemplated above, we will not disconnect you if you accept our offer, unless, after doing so you do not take any reasonable action towards settling the debt within the time specified in the offer.

See clause 14 for more details of assistance that may be available to you if you are experiencing Payment Difficulties or Financial Hardship.

20 Reconnection

If your gas supply has been disconnected, you must not reconnect it at your meter without our permission.

If you ask us to, we must reconnect your gas supply if:

- within 10 Business Days after disconnection for non-payment of a bill, you pay the overdue amount or make an arrangement with us for its payment;
- within 10 Business Days after disconnection for denial of access to a meter, you provide access to the meter;
- within 10 Business Days after disconnection for illegal use of gas, you stop using gas illegally and pay for the gas used or make an arrangement with us to do so;
- within 10 Business Days after disconnection for refusal to pay a Security Deposit, you pay the Security Deposit; or
- within 20 Business Days after disconnection in an emergency situation or for health, safety or maintenance reasons, the situation or problem giving rise to the need for disconnection has been rectified.

Before we reconnect you, you must pay us any reconnection fee or agree an instalment plan for that fee with us.

If you are entitled to be reconnected and you request reconnection:

- before 3pm on a Business Day, we will use our best endeavours to get the Distributor to reconnect you on the day of the request;
- after 3pm on a Business Day, we will ask the Distributor to reconnect you as soon as possible on the next Business Day;
- after 3pm on a Business Day but before the close of normal business and you agree to pay any after hours reconnection charge, we will ask the Distributor to reconnect you on the day of the request. However, the Distributor may not be able to fulfil your request unless it is needed for health or emergency reasons.

21 Ending this Agreement

We can end this Agreement:

- by giving you 20 Business Days notice;
- if you become insolvent, go into liquidation or commit an act of bankruptcy; or
- if you commit a substantial breach of this Agreement.

You can end this Agreement by:

- transferring your gas supply at your Supply Address to another retailer. This Agreement will end when your Supply Address transfers to the other retailer;
- requesting us to disconnect your Supply Address. This Agreement will end 10 Business Days after disconnection;
- entering into a new agreement with us for gas at the Supply Address. This Agreement will end when supply under the new agreement starts or, if the new agreement has a cooling off period, when that cooling off period ends; or
- in the circumstances described in clause 23 (where you move out of your Supply Address);
- giving us not less than five days notice that you wish to end this Agreement. This Agreement will end on the day you request.

This Agreement will also end:

- 10 Business Days after you've been disconnected, if you don't have a right to be reconnected;
- where another person starts being supplied with gas at the Supply Address with us or with another retailer; or
- if we're no longer entitled to sell gas due to a Last Resort Event.

22 What happens when this Agreement ends

If this Agreement ends:

- we may continue to sell you gas on the same terms as the terms of this Agreement until you enter into a new agreement with us or transfer your Supply Address to a new energy retailer and all of the provisions of this Agreement will survive this Agreement ending for this purpose;
- we may arrange for a final meter reading and for disconnection on the day on which this Agreement ends;
- we may issue you with a final bill;

- we may, subject to the Regulatory Requirements, charge you a fee for the final meter reading, disconnection and final bill;
- your meter and the distribution system at your Supply Address may be removed at any time after the day on which this Agreement ends and you must allow safe and unrestricted access to your Supply Address for this purpose; and
- if you wish us to supply you with gas again, you must enter into a new agreement with us.

After you enter into a new agreement with us or transfer your Supply Address to a new energy retailer, the provisions of this Agreement about privacy, liability, notices, governing law and payment will survive this Agreement ending.

This Agreement ending will not prejudice any rights, obligations or remedies that you or we have that accrued before the Agreement ends.

23 What happens if you move

If you're moving from your Supply Address, you need to give us at least five days notice. You'll also need to give us an address where we can send your final bill. We'll arrange for your meter to be read at the time agreed with you (or as soon as possible after if your meter can't be accessed then).

If you move this Agreement (including any Energy Plan) will end from the date you do so.

You'll need to pay us the Charges and any other amounts payable under this Agreement for the Supply Address until the later of the date you move or five days from the date you notify us that you're moving.

If you don't tell us that you're moving or you don't provide access to your meter, you'll need to pay us the Charges and any other amounts payable under this Agreement for the Supply Address until:

- we find out that you've moved and your meter has been read;
- you tell us you're moving and your meter is read;
- the gas supply is disconnected or transferred to another retailer; or
- the date you or someone else becomes responsible for the energy supply at the Supply Address under a new agreement with us.

24 Green Gas

You may choose to take up Green Gas.

If you take up Green Gas, you'll still receive your gas supply in the same way as before and we'll purchase greenhouse gas offsets equal to the estimated greenhouse gas emissions from your natural gas supply. As at the Acceptance Date, we do this through our independently audited carbon reduction scheme, but we may change this in future.

We'll stop supplying you with your Green Gas product if:

- you tell us you no longer want that product;
- we give you at least 20 Business Days notice; or
- this Agreement ends.

25 Changing this Agreement

We can vary this Agreement where:

- we give you 20 Business Days notice of the variation; and
- you accept the change by not terminating the Agreement during that period.

We may also vary this Agreement by notice to you if we need to so because the Regulatory Requirements change.

See clause 33 for details of how we'll give you notice.

26. Events beyond your or our control

In this Agreement, Force Majeure means, for an Impacted Person, any event or circumstance occurring after the Acceptance Date that:

- is not within the reasonable control of the Impacted Person;
- could not be prevented, overcome or remedied by the exercise of reasonable effort by the Impacted Person; and
- results in the Impacted Person being unable to meet or perform its obligations under this Agreement.

Notwithstanding the paragraph above, the failure or inability of the Impacted Person to pay any amount due and payable under this Agreement does not constitute Force Majeure.

The Impacted Person will be excused for not meeting or performing its obligations during the time and to the extent that Force Majeure prevents it from doing so (other than an obligation to pay money).

The Impacted Person must:

- try to remove, overcome or minimise the effects of Force Majeure as soon as it can; and
- give the other person prompt notice, including any information required by the Regulatory Requirements.

If the effects of such an event are widespread, we may give you prompt notice by making the necessary information available on a 24 hour telephone service. We'll try to do this within 30 minutes of becoming aware of the event or otherwise as soon as practicable.

27 How this Agreement works with the Regulatory Requirements

If any matter that is required to be included in this Agreement by a Regulatory Requirement is not expressly dealt with in this Agreement, the Regulatory Requirement is incorporated as if it were a term of this Agreement.

If there is any inconsistency between this Agreement and a Regulatory Requirement, then other than the two clauses of this Agreement noted in this clause 27, this Agreement will prevail to the extent of the inconsistency, unless a Regulatory Requirement provides that it must prevail.

You agree that:

- clause 23 (What happens if you move) of these Agreement Terms applies instead of clause 5.7 (Vacating a supply address) of the Compendium of Gas Customer Licence Obligations; and
- clause 11 (Payment) of these Agreement Terms and the definition of Due Date apply instead of clause 5.1 (Due dates for payment) of the Compendium of Gas Customer Licence Obligations.

28 Liability

Subject to the Regulatory Requirements:

- we're not liable to you for any loss or damage in connection with or arising out of this Agreement, except for Small Customers to the extent that we cause that damage or loss because we breach this Agreement or are negligent;
- if you're an Other Customer we're not liable to you for any Excluded Loss;

- you are not liable to us for Excluded Loss, except if you are an Other Customer in which case you are liable to us for any Excluded Loss we incur or suffer pursuant to an indemnity we give your Distributor which arises from your act or omission;
- we're not liable to you for any loss or damage in connection with or arising out of any act or omission of your Distributor;
- you indemnify us if we or any third party suffer any loss or damage in connection with or arising out of your breach of this Agreement or negligence;
- you indemnify us and any third party against any liability in connection with or arising out of the use of gas supplied under this Agreement after ownership passes to you; and
- if you are an Other Customer, you indemnify us against any liability we incur or suffer (including Excluded Loss) in connection with or arising from any act or omission by you to the extent we have indemnified your Distributor for that liability.

If you're a Small Customer or a Residential Customer, nothing in this clause 28 entitles us to recover from you an amount greater than we would otherwise have been able to recover at law.

This Agreement does not vary or exclude the operation of section 58 of the Energy Operators (Powers) Act 1979 (WA).

29 Warranties and rights

To the extent permitted by law, the only warranties that apply to this Agreement are those that are expressly set out in the Agreement. However, you have non-excludable rights under the Australian Consumer Law.

If any part of this Agreement is unlawful, unenforceable or invalid, that part will not apply, but the rest of the Agreement will continue unchanged.

30 What laws apply

The laws of Western Australia apply to this Agreement. You agree to submit to the non-exclusive jurisdiction of the courts in Western Australia.

31 Your privacy and creditworthiness

We collect, use, hold and disclose your personal, credit related and confidential information (including metering data) where it is required under the Regulatory Requirements and in order to provide you with gas and offer you other products and services. We may disclose this information to:

- our agents and contractors (such as mail houses, data processors and debt collectors);
- your Distributor; and
- other energy retailers,

for these purposes and more broadly in connection with this Agreement. We may disclose this information to our Related Companies for any reason.

We may also collect sensitive information about you or third parties (for example if you notify us that life support equipment is used at your Supply Address).

If you don't provide this information to us, we may not be able to provide our products or services to you. Where possible, we'll collect this information from you, but we may get it from third parties (including credit reporting bodies).

We may also disclose your information to and collect your information from, information matching providers, for example to verify the information you've provided to us and confirm your identity.

If you provide us with personal information about another person (such as an additional account holder), please make sure you tell them their information has been provided to us and make them aware of the matters in this privacy statement.

We will comply with the Privacy Act 1988 (Cth) and the Australia Privacy Principles in relation to your personal information. In particular, we will keep your personal information confidential and secure and only disclose it to our people who need to know the information and as otherwise set out in this agreement and our privacy policy.

Our credit reporting statement (which is our credit reporting policy) explains:

- how we determine your creditworthiness by doing a credit assessment of you;
- how we disclose your credit information and when we disclose it to third parties including credit reporting bodies;
- how disclosure may affect your creditworthiness, and

- how to access, correct or complain about our treatment of your credit information.

Our privacy policy and detailed privacy and credit reporting statements are available at www.originenergy.com.au/privacy. Please contact us to request a paper copy.

32 Marketing

From time to time we and our Related Companies will let you know about other products and offers, even after this Agreement ends. If at any time you decide you don't want to receive these offers, please let us know. You can do so in My Account (our online self serve portal) or write to Origin Opt Out, Reply Paid 1199, GPO Box 1199, Adelaide, SA, 5001. We'll keep providing you with these offers until you tell us otherwise.

33 Notices

Unless the Regulatory Requirements require notice to be given in a different way, we'll give you notice in writing:

- personally;
- by post, addressed to the address you nominate. We'll consider that you've received the notice on the second Business Day after we post it;
- by e-mail if you've provided us with an email address. We'll consider that you've received the email the day after we send it to the email address you provided;
- by fax if you've provided us with a fax address. We'll consider you've received the fax when our fax machine produces a report stating the fax was sent in full;
- by a message on your bill; or
- by sending you an electronic message (e.g. email or SMS) letting you know that we are making a change or notifying you about something to do with your account and where you can find details of it (e.g. our website). We'll only do this if it's reasonable in the circumstances and not prohibited by the Regulatory Requirements.

If you do not choose an address for notices or we can't contact you at that address (e.g. the notice is returned to us), we may send the notice to the Supply Address and you'll be deemed to have received it.

34 Customer service and complaints

If you have an enquiry, complaint or dispute, including in relation to your bill or any marketing activity, please contact us. We'll handle your complaint and let you know the outcome of it, in accordance with our standard complaints and dispute resolution procedures (including the Australian Standard on Complaints Handling (AS/NZS 10002:2014)) which you can find at www.originenergy.com.au. You can also ask us to send you a copy as well as for more information about our complaints procedures and the energy ombudsman.

If you are not satisfied with the way your complaint has been resolved you may raise the complaint to a higher level within our management structure and if you're still not satisfied you may be entitled to contact the energy ombudsman.

We must also comply with the standards of service set out in the Regulatory Requirements.

35 Assignment or novation

You may not assign, transfer or novate this Agreement without our consent.

Subject to the Regulatory Requirements, you agree we may:

- assign, transfer or novate this Agreement; and/or
- transfer you as a customer,

to any third party or any of our related bodies corporate. For example, we may do this as part of the transfer of a substantial number of our customers to a third party or part of the sale of our gas retail business. You'll be notified of any assignment, transfer or novation.

36 More information

If you would like any of the further information below, just ask us:

- a copy of the *Energy Coordination (Customer Contracts) Regulations 2004*;
- a copy of the *Gas Marketing Code of Conduct 2015* (which we must comply with) and information about the scope of this code;
- a copy of the *Compendium of Gas Customer Licence Obligations*;
- information about the Charges and fees payable under this Agreement, including alternative tariffs that may be available to you;

- information about service levels that may apply to you;
- information about energy efficiency;
- Billing Data;
- contact details for obtaining information about financial counselling services or your eligibility for Government assistance programs;
- general information about our gas customer safety awareness program.
